

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Dear F.C.C, Allowing further media consolidation by lifting the cable ownership cap will not serve the public interest. As it stands now the air waves are all owned by giant corporations strictly for the profit of these huge corporations instead of belonging to the people.

YOU ARE SUPPOSED TO BE REPRESENTING THE AMERICAN PEOPLE AND OUR INTERESTS - NOT THE INTERESTS OF TIME WARNER.

stop selling us out, we are the people you are supposed to protect, and we need protection from a small minority that would control the airwaves and access to the internet. I am emailing this to EVERYONE I know, and spreading the word around as much as I possibly can. Does the F.C.C. care at all what the american people want and need??? Or does the F.C.C. (LIKE ALL OTHER POLITICAL ENTITIES) only represent the interests of wealth and corporate america??????????????
